

About Us

The Founder

Scott Humpal is the owner of Humpal Physical Therapy and Sports Medicine Centers. He grew up in Butte, Nebraska. He participated in football, basketball, wrestling, track and baseball. He attended the University of Nebraska and then transferred to the University of Nebraska Medical Center where he graduated with a B.S. in Physical Therapy in 1988.

After graduation, Scott moved to Corpus Christi to spend some time with his brother, Randy. His first job was at Riverside Hospital in Calallen, TX. The time spent at the hospital was personally gratifying, but it did not offer enough outpatient orthopedic care to satisfy his professional goals, so he decided to open his own practice. Unable to secure a business loan, \$20,000 was scraped together from family members, and the first Humpal clinic was opened in Sinton, Texas in August of 1989. Dedicated employees, ambition, and determination encouraged Scott to take it several steps further and he decided to open a clinic in Corpus Christi in July 1990. Then a clinic in Alice in August 1994, and a clinic in Aransas Pass in November 1997. A new 21,000 sq.ft. facility located at 5026 Deepwood Cir. was completed in October 2000 and replaced the S.P.I.D. facility. The fifth facility was opened in Calallen (5 Points), Corpus Christi in Oct. 2003. In 2004, the Sinton clinic was relocated to Portland. In February of 2007, the sixth clinic was opened in the beautiful community of Rockport, TX. In 2008, the Portland clinic moved into a completely renovated building.

One hundred and twenty employees now operate the Portland, Corpus Christi, Calallen, Alice, Aransas Pass, and Rockport clinics which make up the Humpal Physical Therapy and Sports Medicine Centers Team. The 5026 Deepwood Cir. location serves as the base for all the business operations.

Scott has built his practice and reputation on providing progressive and quality care for all patients. He has shown a strong commitment to excellence and supports numerous programs in the So. Texas communities served by the Corpus Christi, Calallen, Alice, Aransas Pass, Portland, and Rockport clinics.
