Scott Humpal- PT

Scott Humpal, PT is the owner of Humpal Physical Therapy and Sports Medicine Centers. He grew up in Butte, Nebraska, playing basketball, wrestling, track and baseball. He attended the Univ. of Nebraska, studying science, coaching, and athletic training. He graduated from the Univ. of Nebraska Medical Center where he graduated with a degree in PT in 1988. After graduation, Scott worked at a local hospital, then moved to CC. His first job in So. TX was at Riverside Hospital in Calallen, then for a local outpatient clinic for 6 months. He then open his own practice. Unable to secure a business loan, \$20,000 was scraped together from family members, and the practice was opened in Sinton, Texas in August of 1989. He now has 6 locations in the Coastal Bend. Scott has built his practice and reputation on quality care for all patients.

Ken R. Weir- HR & Marketing Director

Ken joined the Humpal team in June of 1993. He is responsible for referral development, public relations, human resource development, quality control with physician and patient follow ups, and organizing special events & functions.

Ken is the Human Resource Manager and Marketing Director of Humpal Physical Therapy's six facilities in Corpus Christi, Pass, Portland and Rockport, Tx.

He is a Corpus Christi native, graduated from King High School in 1974, and in his early career had a wide variety of experience, from mechanic in a Pontiac Dealership, to the Retail Business Manager and Finance Manager of a Porsche Audi Dealership. He required hours for real estate licensure at The American College of Real Estate, but then never pursued that career due to the Real Estate market in the early 80's. He has also attended Del Mar College, but he claims his strongest skills have been gained through his experience in sales and marketing.

He is an eternal optimist, prides himself in his positive attitude, and always loves a good challenge.

He enjoys sailing, snow skiing, hunting, fishing, camping, woodworking, working around the house, gardening and tin
"inventions".

Ken is the step father to 5 children, Nicholas, Nathan, Ryan, Christa, Shannon, with his wife Gina, and he also has a s
marriage.
