The insurance companies we work with are updated frequently, so if your insurance plan is not listed, call our Deepwood Cir. location, 361-854-2278 ext.#101 to see if your plan has been added.

Most plans allow you to seek treatment with "out of network" providers with only a small penalty. We will be happy to work with you utilizing your "out of network" benefits.

We also have convenient payment options for individuals or companies without insurance.
